

Capacity-building for City-level GHG Inventory

-Bangkok and Ho Chi Minh City's experiences with strengthening GHG accounting at local level and efforts to reconcile different protocols in efforts to upgrade their systems-

6 December 2019

14:00 - 15:00

IDFC Pavilion (Hall 8)

The Side Event will introduce updates of capacity-building activities in Southeast Asian cities, such as Bangkok, Thailand and Ho Chi Minh City, Viet Nam, in strengthening their efforts to regularly develop City-level GHG inventory, while there are some gaps and challenges, emanating from different protocols to be applied.

Provisional Agenda

Moderator

Ms. Yui Matsuo JICA Project to Support Planning and Implementation of Nationally Appropriate Mitigation Actions in a MRV manner (JICA SPI-NAMA), Viet Nam

Session I

Capacity-building for quantifying GHG emissions at local government level

Experiences with GHG inventory development in Ho Chi Minh City, Viet Nam

Dr. Mai Tuan Anh and Dr. Jun Ichihara

Director, Department of Natural Resources and Environment, Ho Chi Minh City (HCMC/DONRE)
/Chief Advisor, JICA SPI-NAMA

Experiences with GHG inventory development in Bangkok, Thailand

Ms. Termsiri Chongpoonphol and Mr. Kimihiro Kuromizu

Director, Department of Environment, Bangkok Metropolitan Administration (BMA/DOE)
/Chief Advisor, JICA Project for Strengthening capacity for the implementation of Bangkok Master Plan on Climate Change 2013-2023

Session II

Reconciling different protocols of GHG accounting around local

Discussion points on national requirements on GHG accounting for local governments in Viet Nam

Dr. Luong Quang Huy

Director, Department of Climate Change, Ministry of Natural Resources and Environment, Viet Nam (MONRE/DCC)

Gap analysis through practical experiences in cities in Southeast Asia, in particular CIRIS/GPC and national requirements

Mr. Makoto Kato

General Manager, Overseas Environmental Cooperation Center, Japan (OECC)

Jointly organized by Japan International Cooperation Agency (JICA) and the Overseas Environmental Cooperation Center, Japan (OECC), in cooperation with the Ministry of Natural Resources and Environment (MONRE), Viet Nam, Ho Chi Minh City and the Bangkok Metropolitan Administration.
