

# Sharing Good Practices: **ADDRESSING HFC BANK**

## - A Need to Accelerate HFC Emissions Reduction -

15<sup>th</sup> July 14:00-15:00 (EAT) on WebEX  
7:00-8:00(EDT) 13:00-14:00(CEST) 20:00-21:00(JST)

**HFC bank remains as a serious issue**, despite ongoing efforts under the Kigali Amendment. As a potential impact on climate change is substantial, addressing HFC bank is crucial in achieving the 1.5°C goal under the Paris Agreement.

**Lifecycle management of fluorocarbons addresses such emissions** by avoiding leakage, recovery, recycle, and destruction.

**This side event will showcase good practices on relevant policies and schemes and applying appropriate technologies and management techniques**, and discuss how to better disseminate useful information for wider application, filling a significant gap where actions should be replicated.

**14:00 - 14:05**    **Opening Remarks**    **Mr. Nathan Borgford-parnell (CCAC)**

**14:05 – 14:45**    **Sharing Good Practices**

- **Dr. Suely M. Machado Carvalho**
