

Toward Strengthening Transparency activities by the private sectors

~from the experience of the Partnership to Strengthen Transparency for co-Innovation (PaSTI) in Asia~

13:00-14:30(UTC), 12 November 2021 @Japan Pavilion

The COP26 side event should be an opportunity to scaling up efforts and enhancing input from international experiences regarding activities to strengthen transparency in the ASEAN region, by international leaders in the field of climate change, centered on the development of guidelines. In addition, we will exchange opinions on the engagement of private companies and the way of actions to expand incentives to strengthen future efforts.
