

HFC Lifecycle Management Workshop under Q-CHAMP

13:00-14:30(UTC + 2), 10 November 2022

The HFC Lifecycle Management workshop will introduce good practices of Quad countries (**Australia, India, Japan, and the United States**) to the Indo-Pacific countries for the sake of their policy reference as more stringent mitigation actions are required to meet 1.5°C goal and achieve net-zero target set by each country. The event is part of the efforts under **the Quad Climate Change Adaptation and Mitigation Package (Q-CHAMP)**.
